**The Corporation of the Township of King
Report to Council
Public Planning Meeting**

From: Growth Management Services Department – Planning Division
Report Number: GMS-PL-2025-013
Date: Monday, April 7, 2025
Title: **Zoning Bylaw Amendment and Draft Plan of Subdivision
13711 Keele St. (Fandor Homes)**
File Number: Z-2024-16 and 19T-24-K01
Owner: 1049121 Ontario Ltd. (c/o Fandor Homes)
Applicant: Paul Brown & Associates
Agent: Justin Mamone, Paul Brown Associates Inc.

1. Recommendations

1. That Report GMS-PL-2025-013 be received and referred back to Staff for a future recommendation report to be presented to Council upon receipt and review of all Township Departments, Council and public comments.

2. Property Information

The subject property is located at the southeast corner of Keele Street and the 15th Sideroad in the Village of King City (see Schedule 1). The site is vacant and measures 9 hectares. The property also contains provincially significant wetlands, an intermittent stream and significant woodlands and valley lands.

3. Proposal

The purpose of the Applications is to amend the Schomberg and King City Urban Areas Zoning By-law (By-law No. 2017-66) and gain approval of a Draft Plan of Subdivision to facilitate a development consisting of 26 single detached lots and 64 townhouse lots for a total of 90 dwelling units at a density of 12 units per hectare (see Schedule 2). The application also proposes a stormwater management block, two natural heritage conservation blocks, two new streets with a right-of-way width of 18.5 metres together with a road widening block and two 0.3m reserve blocks. The development proposes to obtain access from two road connections from the 15th Sideroad.

Please find below Table 'A' identifying the development details.

TABLE 'A'

Block/Lot Type	Minimum Frontage/Width	# of Units	Total Area of Lot/Block Type	% of Total Units and/or % of Total Plan Area	
RESIDENTIAL					
Single Detached	13.5 metres	26	1.96 ha	28%(units)	21.8%(area)
Townhouses	6.5 metres	64	1.44 ha	72%(units)	16%(area)
Natural Heritage Features/Buffers	N/A	N/A	3.75 ha	N/A	41.7%(area)
Stormwater Pond	N/A	N/A	0.45 ha	N/A	5%(area)
Streets	N/A	N/A	1.19 ha	N/A	13.2%(area)
Road Widening	N/A	N/A	0.19 ha	N/A	2.1%(area)
0.3m Reserves	N/A	N/A	0.01 ha	N/A	0.2%(area)
SUB-TOTAL	N/A	90	8.99 ha	100%	100%

The subject site is designated 'Neighbourhood' and 'Village Natural Heritage System' under the Township Official Plan 'Our King' and is Zoned 'Future Development (F)' and 'Environmental Protection (EP)' by Zoning By-law 2017-66. The purpose of the Zoning By-law Amendment is to re-zone the lands identified for residential development to a site specific 'Residential – Single Detached 'C' (R1C)' zone and a site specific 'Residential – Townhouse (R3)' zone. The natural heritage features, buffers and stormwater management block are proposed to be placed in an Environmental Protection (EP) zone.

4. Public Notice

The Application has been circulated in accordance with the requirements of the *Planning Act*. Notice of the Public Meeting was mailed to the surrounding property owners and other agencies. Notice signs have been posted on the property, a newspaper notice has been published in the King Weekly Sentinel, and notice has been posted to the Township website. To date the Township has received several requests for file information and has received comments regarding traffic management concerns.

5. Policy

Provincial Plans and Policies

The new Provincial Planning Statement (PPS 2024) came into effect on October 20, 2024, and replaces the previous Provincial Policy Statement 2020 and A Place to Grow: Growth Plan for the Greater Golden Horseshoe 2019. The PPS 2024 provides municipalities with the tools and flexibility required to focus on building more homes. Settlement areas are to be the focus for growth and where intensification and redevelopment are supported to achieve complete communities, including a range and mix of housing options. The PPS continues to identify the need to establish minimum targets for intensification and redevelopment within built-up areas based on local conditions.

The subject site is also located within the Provincial Oak Ridges Moraine Conservation Plan (ORMCP) area and located within a Settlement Area. Under the ORMCP, Settlement Areas are encouraged to continue to develop for a range of uses, including transit supportive densities through intensification and re-development within existing urban areas while minimizing impacts on ecological functions and hydrological features.

Regional Official Plan 2022 (ROP)

As of July 1st, 2024, planning responsibilities were removed from the Region of York as directed by the Province through Bill 185, “Cutting Red Tape to Build More Homes Act”. As a result, the Township of King now assumes the administration of the Regional Official Plan (ROP), including amendments to the Plan. The subject property is identified to be within the ‘Towns and Villages’ designation under the Regional Structure on Map 1 of the Plan and further identified on the Land Use Designation Map 1A as being designated as ‘Community Area’ under the ROP. The Urban System Overlays Map 1B of the Plan identifies the subject property to be within a Designated Greenfield Area.

The Community Areas of the Official Plan are where a majority of housing, commercial, institutional, and cultural and recreational uses are intended to be located. The Region’s Official Plan forecasts a population of 51,000 persons and employment of 17,700 jobs for King Township to the year 2051. Greenfield development remains as an important means to addressing growth in settlement areas, in particular King City.

Township of King Official Plan, “Our King” (2019)

The Official Plan sets out a policy framework for managing growth through which the Township is to grow to a population of 34,900 people by 2031. This population is to be provided by a combination of development within the existing built-up areas (intensification) and development within designated greenfield areas. (Note that the Official Plan Update that is currently on-going contemplates a 2051 population of 51,000)

The Official Plan designates the subject property as “Neighbourhood” and “Village Natural Heritage System” on Schedule “D1”. The “Neighbourhood” designation permits a range of low and medium density residential uses, including single detached dwellings, semi-detached dwellings, townhouse dwellings and low-rise apartment buildings. The Official Plan identifies a maximum gross density of 7 units per hectare with the potential for an increase up to 12 units per hectare, subject to specific criteria being achieved including a mix of housing, environmental buffers, and the provision of significant public benefits.

The “Natural Heritage System” portion of the subject property includes Provincially Significant Wetlands, unevaluated and non-provincially significant wetlands, significant woodlands and significant valley lands associated with a tributary of the East Humber River. The Natural Heritage System policies of the Official Plan under Section 4 requires that a Vegetation Protection Zone of 30 metres be provided from wetlands, the meander belt from a permanent or intermittent stream, from significant woodlands and valleylands. Only conservation uses, passive recreational trails and infrastructure are permitted to be located in the Natural Heritage System.

Schomberg King City Urban Areas Zoning By-law (2017-66)

The subject property is zoned ‘Future Use (F)’ and ‘Environmental Protection (EP)’ under the Schomberg and King City Urban Areas By-law. The F zone reflects designated greenfield lands which are intended for development in accordance with the Township Official Plan. The Applicant has submitted a Zoning By-law Amendment Application together with a Draft Zoning By-law (see Appendix A) to facilitate the re-zoning of the subject property to a ‘Residential – Single Detached (R1C)’ exception zone to provide for single detached lots and to a ‘Residential - Townhouse (R3)’ exception zone to provide for townhouse dwellings. An EP zone will remain and include lands containing the stormwater block, the natural heritage features and related buffers.

Please find below Table ‘B’ identifying the proposed site-specific zone provisions (all other existing zone standards are to conform to the existing By-Law standards).

TABLE ‘B’

ZONE STANDARD	CURRENT ZONE STANDARD	PROPOSED ZONE STANDARD
R1-C Zone (single detached) Minimum Lot Frontage	15.0 metres	13.5 metres
R3 Zone (townhouse) Minimum Lot Area	175.0 square metres per dwelling unit	155.0 square metres per dwelling unit

6. Planning and Land Use Matters Under Review

The subject Applications are currently undergoing a planning review together with anticipated technical responses from internal departments and external agencies with respect to the details of the proposal. The primary planning and land use matters being considered include:

- Conformity with the Natural Heritage and Density policies of the Official Plan, including consideration of the proposed public benefits;
- Traffic impacts and street connections;
- Gateway and neighbourhood entrance features;
- Pedestrian, Park and Trail connectivity opportunities;
- Dual frontage townhouse design and amenity space planning;
- Appropriateness of proposed zone standards;
- Availability of sanitary and water servicing capacity and allocation for the proposed development.

7. Next Steps

Staff will continue to process the Application and identify planning and land use comments with the Applicant, including comments provided by the public and Council, and comments raised through the technical review of the Application by Township departments and external agencies. Based on these comments, the Applicant will have an opportunity to address the issues and comments presented. A Staff Report will be brought forward to Council at a later date with recommendations in regard to a decision on the Application.

**Notice of Public Planning Meeting Concerning
a Proposed Zoning By-law Amendment and
Draft Plan of Subdivision**

Monday, April 7TH, 2025 at 6:00 p.m.

This Public Planning Council Meeting will be held in a hybrid format with in-person and electronic participation. Deputations may participate in the meeting remotely or in-person. Refer to the registration process below.

The public are invited to attend the Public Planning Meeting at the Township of King Council Chambers at 2585 King Road, King City to receive information and provide comments on the proposed Zoning By-law Amendment application, and Draft Plan of Subdivision application concerning 13711 Keele Street, King City, in the Township of King in accordance with Section 34 and Section 51 of the *Planning Act*, R.S.O. 1990, Chapter P.13, as amended.

If you have received this notice as an owner of a property that contains seven (7) or more residential units, please post this notice in a visible location to all residents of the land.

Subject Property

Location: 13711 Keele Street, King City
Part Lot 10, Concession 3
Owner(s): 1049121 Ontario Ltd. (c/o Fandor Homes)
Agent: Justin Mamone, Paul Brown Associates
File Numbers: Z-2024-16 and 19T-24-K01
Staff Report: The staff report will be available at www.king.ca/meetings on the Thursday prior to the meeting date.

The proposed Zoning By-law Amendment and Draft Plan of Subdivision applications submitted by Paul Brown Associates on behalf of the owners, 1049121 Ontario Ltd, under Planning Files Z-2024-16 and 19T-24-K01 concerns a vacant 8.99 hectare property at the southeast corner Keele Street and the 15th Sideroad in the Village of King City. The subject property is designated “Neighbourhood” and “Village Natural Heritage System” under the Township Official Plan “Our King” and is zoned “Future Development (F)” and “Environmental Protection (EP)” by Zoning By-Law 2017-66 (Schomberg and King City Urban Areas By-Law).

Proposed Changes

The Planning Applications were submitted together with supporting materials to amend the Zoning By-Law and propose a Draft Plan of Subdivision consisting of 26 single detached lots and 64 townhouse lots at a density of 12 units per hectare. The draft plan also proposes a stormwater management block, two natural heritage conservation blocks, two new streets together with a road widening block and two 0.3m reserve blocks.

The purpose of the Zoning By-law Amendment is to re-zone the lands identified for residential development to a site specific Residential – Single Detached ‘A’ (R1A) zone and a site specific Residential – Townhouse (R3) zone. The site exception zone provisions would reduce the lot frontage in the R1A zone to 13.5 metres for the single detached lots and reduce the lot area minimum in the R3 zone to 155 square metres per dwelling unit for the townhouse lots. The natural heritage features, buffers and stormwater management block are proposed to be placed in an Environmental Protection (EP) zone.

Any person may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law Amendment or Draft Plan of Subdivision. Written comments will become part of the public record.

How to Participate in the Public Meeting

- 1) **View the meeting** in-person or watch virtually at <https://www.king.ca/meetings> . No pre-registration is required.
- 2) **Submit written comments** to the Township Clerk at clerks@king.ca **by 12:00 p.m. (noon) on the day of the meeting.** Comments will be circulated to Council and Staff prior to the meeting.
- 3) **Speak to a staff report on the agenda in-person or virtually**, pre-register with the Township Clerk at 905-833-4068 or email clerks@king.ca **no later than 12:00 p.m. (noon) on the day of the meeting.** If you are pre-registering, you must indicate the item you wish to speak to, how you wish to participate (video, phone, or in-person), and provide your full name, address, telephone number and speaking notes. Upon receipt of your registration, you will receive a confirmation email with instructions for participating. All comments addressed to Council will form part of the public record.

How to Stay Informed

A copy of the proposed Zoning By-law Amendment application and Draft Plan of Subdivision application, as well as related background information and supporting information are available by contacting Paul Kulyk, Project Manager – Development Planning, between the hours of 8:30 a.m. and 4:30 p.m., with reference to the address or file numbers for more information. Written comments in advance of the staff report being published may be sent to:

Paul Kulyk, Project Manager – Development Planning

pkulyk@king.ca, (905) 833-4063

If you wish to be notified of the decision of the Council of the Township of King regarding the proposed Zoning By-law Amendment and Draft Plan Subdivision, you must make a written request to the Clerk of the Township of King, 2585 King Road, King City, ON L7B 1A1, or by email at clerks@king.ca .

Preserving Your Appeal Rights

If a person or public body would otherwise have an ability to appeal the decision of the Council of the Corporation of the Township of King to the Ontario Land Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to the Township of King before the Zoning By-law Amendment is passed, or before the approval authority gives or refuses to give approval to the Draft Plan of Subdivision, the person or public body is not entitled to appeal the decision.

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Township of King before the Zoning By-law Amendment is passed, or before the approval authority gives or refuses to give approval to the Draft Plan of Subdivision, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
