Hi there,
We live at [REDACTED]. We are very concerned with this plan to build so many buildings and homes in our neighborhood. Specifically removing the soccer field/park. Our three children play there all of the time, that was actually one main reason we purchased this property 11 years ago. There is already an insane amount of building going on in king city, taking away its charm. Please reconsider these plans, we truly believe it will ruin what is so amazing about king city.
Thanks,
Lila Allain
