

Zoning By-law Amendment Application (File No. Z-2025-14)
2018-2022 King Road, Village of King City

Looking southwest along King Boulevard toward 2018 King Road. Existing detached dwelling and accessory building (shed) in background.

View north from King Road of existing detached dwelling (2022 King Road) and interior of site.

View east along King Road of lot frontage (2018 & 2022 King Road) and King City Secondary School in background.

View north from intersection of King Road and King Boulevard (east portion of site) of existing drainage channel and trees. Proposed access from King Boulevard (on right side of photo).

View to the east of east side of King Boulevard. Approved townhouse development in foreground; public use (i.e. Township Library) in the background.

View north and east from King Boulevard to existing institutional land use (i.e. King City Public School).

View west along King Road lot frontage.

King Township Fire Station 34 and existing six-storey residential building located on south side of King Road.

All photos are from a site visit conducted on August 5, 2025
