60-Day Notice of Intent to Demolish 342 Kettleby

Dear Clerk and Member of Council,

I Frank Bentley am writing to formally provide the required 60-day written notice of my intent to demolish/remove a building located at 342 Kettleby Road as required under Section 27(9) of the Ontario Heritage act. The property is currently listed on the municipal Heritage Register but is not designated under Part IV or Part V of the Act. I understand that this notice allows the municipality time to consider where the property should be designated due to its cultural heritage value or interest.

Please consider this letter as the official start of the 60-day notice period. I am happy to provide any additional documentation or meet with staff to discuss the proposed demolition.

Sincerely,

Frank Bentley, President  
StruXure International Corporation  
332 Kettleby Road  
King, Ontario L7B0C9
