Good morning, I'm not opposed to change in our wonderful community but I'm opposed to the proposed 3 level building increase to 6 levels. Not only will it slowly start to look like Scarborough, We already have a parking issue on Main Street. And when there are no more places for anyone to park due to mismanaged planning, the businesses will suffer because no one will want to visit our town or frequent our businesses. There are plenty of other places in town where a larger building could exist, downtown is not one of them

In my opinion. Each unit NEEDS to have at least 2 parking spots with extra for visitors.
