Hello

I oppose the proposed 6 story apartment building the developer wishes to build in Schomberg.

This will be totally out of character with this beautiful town. There's not enough room for all those extra units. This is a total greed issue for the developer. This would not be a small town anymore. These developers feel they can do what they want, regardless of what the residents of Schomberg feel. Be satisfied with three floors.

I hope King doesn't approve this. Thank you.
