Good evening,

Our land use planning consultant Dan Stone will be at the King Township Council meeting tomorrow for a deputation on behalf of our family and Wingberry Farms. He will be sharing our significant concerns that we have not received any commitments from Treasure Hill or the township that Wingberry Farms will be granted road access from/through the Treasure Hill development. So despite having carved out village reserve lands allocated within our property without road access those reserves could not be developed leaving Wingberry 'orphaned'. We are not looking to hamstring the Treasure Hill Development, but we do want to ensure our property is protected in terms of future options.

Any support for Wingberry would be greatly appreciated.

Sincerely,

Shawn Littler
