File number Z-2025-10

Township Clerk

This email is in regards to file number Z-2025-10 and the upcoming public meeting to be held on Monday September 8th at 6:00pm.

We would like to submit a written statement on behalf of the subject property located at 22 Snowberry Lane & 32 Snowberry Lane, King City, Ontario. We live across the street from this subject matter at [REDACTED]. We are in favour of the proposed zoning by-law amendment application that seeks to amend the Township of King Zoning By-law 2017-66 to facilitate a lot boundary adjustment. We are in favour of the demolition of the dwelling at 32 Snowberry Lane and to amend the minimum and maximum lot areas requested by the applicant and we have no objections to the re-zoning of the rear portions of the lots.

Best of luck to all parties involved.

Kind Regards

Melinda Zucchetto and Bruno Gardiman
